[1] On 30 September the University of Canterbury, through their solicitors, filed a memorandum withdrawing their submission to have 112 Waimairi Road rezoned from Residential Suburban Density Zone (RSDT) to Specific Purpose (Tertiary Education) Zone (SPTE).

[2] This followed our direction for the Council to notify the University's application and arrange a hearing for 6 October.

[3] As a consequence, we cancel the hearing on 6 October, and reaffirm 112 Waimairi Road as RSDT.
